Access to Your Account is Now As Close as the Nearest CU Service Center

Because of Hurricane Katrina, you may be living in another city or even in another state and do not have access to your credit union's office. In order to make accessing your account(s) easier, UNO Federal Credit Union is pleased to announce that we have joined together with other credit unions nationwide in a cooperative effort to bring you a new choice in financial convenience . . .

CU Service Center® Network. Now with CU Service Centers®, members of UNO Federal Credit Union can access their accounts at locations throughout Louisiana and at 1,000s of locations across the country.

Now no matter where you may be, your credit union is now as close as the nearest CU Service Center®.

What is a CU Service Center?

A service center is a credit union facility that is actually owned and shared by a group of credit unions. It can also be a teller station operating in an authorized credit union's lobby, called an "outlet," to provide services for members of other credit unions.

Wherever you see the distinctive "swirl" logo, you know you are at a CU Service Center®.

How Does the Network Work?

By using the CU Service Centers® Network, your membership and accounts remain at UNO Federal Credit Union, but you can access your account(s) and conduct business at any of the convenient CU Service Center® locations. In this way, through a network of participating credit unions, access to your account(s) and credit union services is made easier. A listing of Louisiana and nationwide locations can be accessed at www.creditunion.net or by calling 1-800-919-2872.

Where are Service Centers Located?

There are CU Service Centers® located throughout Louisiana and across the country.

For a complete listing of locations and hours of operation, ask us for a Service Centers® Location Guide or look up nationwide locations on the Internet at www.creditunion.net or by calling 1-800-919-2872.

How Do I Access My Account?

To access your account and obtain services at a CU Service Center®, all you have to do is present your account number, the name of your credit union, and valid photo identification.

- Make deposits and withdrawals
